directly print on the material*

La personalizzazione di un articolo comporta sempre uno studio preliminare finalizzato a garantire la fattibilità e il miglior risultato possibile. Abbiamo riprodotto uno schema dimostrativo per facilitare la creazione di un articolo con logo personalizzato.
*Characterizing an article means an initial study in order to assure that it can be practicable and that the result will be the best one.
We have reproduced a demonstrative plan to make easier the creation of an article with a personal logo.*
